

Pricing Information

When you're looking for memory care for your loved one, the last thing you need is to have additional fees tacked on.

Unlike most institutional memory care facilities, ComfortCare Homes of Wichita, KS doesn't charge more for a room with a view, or incontinence care, or administering medication.

Our pricing is based solely on the level of care required (Traditional or Advanced)

However, optional in-home convenience services are available for a fee.

Services included in the monthly fee:

- 24-hour care by certified professional staff
- Licensed nursing team overseeing care
- Personalized care plan based on individual needs
- Three home-cooked meals daily, with snacks available anytime
- Private or companion bedrooms
- Personalized assistance with personal hygiene, bathing, and dressing
- Medication administration
- Incontinence management
- In-home social activities
- Outings as appropriate
- In-home sensory activities
- Secure, attractively-landscaped backyards with large decks (Traditional Homes)
- Secure, attractively landscaped courtyards with large patios (Founders Crest)
- Custom fire alarm system and secure front doors to restrict elopement
- Housekeeping and laundry service

Optional Additional Services:

- Option of in-house Primary Care Practitioner to manage healthcare needs of Resident without having to go for office visits (usually covered by Medicare)
- Home health & hospice: Skilled services such as nursing, physical, occupational, and speech therapies as required (usually covered by Medicare)
- Preventive Oral Health Services provided by GraceMed Health, Inc. (Private pay unless Resident has dental coverage)
- Hair care services
- Podiatry services (usually covered by Medicare)
- Incontinence Supply program

** Provided in ComfortCare Homes Wichita, KS by a qualified outside agency. Fees for auxiliary services may apply.*
